Applicant Status Page

After you have registered your account you will be directed to the Application Status Page.

1. Start New Application – This allows you to review the available grants and apply.
2. Application Status – This is your homepage where you can check on the status of your grants. This page will display the form you just filled out, what its status is, and what the next form will be.
3. Fax to File – Instead of scanning a document you can fax it to your computer. Using Fax to File helps shrink documents to a smaller file size.

Application Status Page

The screenshot shows the 'Application Status Page' interface. On the left is a dark blue sidebar with three menu items: 'Start New Application', 'Application Status', and 'Fax to File'. The 'Application Status' item is highlighted, and a callout bubble points to it with the text 'Apply for a grant'. The main content area has a title 'Application Status Page' and a subtitle 'View the status of your applications below.'. Below this is a 'Contact Information' section with the following details: Grant Elliott, 12 Yellow Road, Bozeman, MT 59718, and Email@Address.com. A callout bubble points to this section with the text 'Edit contact information and password'. To the right of the contact information is a purple link labeled 'Edit Contact'. Below the contact information, there is a message: 'You have not submitted any applications. Click [Apply](#) to begin the application process.'. A callout bubble points to the 'Apply' link with the text 'Apply for a grant'. The FOUNDANT technologies logo is visible in the bottom right corner of the page.

Choosing a Grant Program

After clicking on the Start New Application link you will have the ability to choose a grant program to apply for. Each grant program will have a brief description of the grant or who qualifies for the grant. Read these descriptions thoroughly before applying.

- 1) Read through the grant program description to decide if you qualify to apply for the grant.
 - a. If the foundation has sent you an access code enter it in the Access Code box on the left and click Enter. This will allow your private grant program to appear.
- 2) After the grant program appears, click it to start filling out the first form.
 - a. Grant Programs have the ability for multiple forms. Some grant programs can have the applicant submit 3 forms to the foundation before a decision is made. Each form will be filled out and submitted to the foundation. After it is deemed complete, the foundation will approve you to move on to the next form.

Choosing a Grant Program

The screenshot shows a web interface for starting a new application. On the left, a dark blue sidebar contains the following text: "Start New Application", "Application Status", "Fax to File", "Access Code" (with an empty input field), and "Enter" (with a button). A callout bubble points to the "Enter" button, containing the text: "Enter an access code to see the hidden grant program".

The main content area is titled "? Application Page" and includes the instruction: "Please click the link below to begin the application process." Below this are three links: "[All Stages Test Process](#)" (with subtext "Testing all stages with configurationid parameter"), "[The short version](#)", and "[Ann and Abe Efron Donor Advised Grants](#)". A callout bubble points to the "All Stages Test Process" link, containing the text: "Choose the grant program that best fits your needs. Click on the name of the program and apply." Below the "Ann and Abe Efron Donor Advised Grants" link is a paragraph of text: "For tax-exempt organizations serving Dutchess County. Funding priority will be given to organizations involved in arts, culture and education with special consideration being given to grants that would make facilities and events more available to young people and senior citizens. Application will go online on 8/3. Deadline for Submission: 10/10. Notification: Late November/Early December."

- 1) For security risks, our software automatically logs you off if there is no activity on the system for over a 40 minute time period. Please click Save as Draft early and often.
 - a. Click the box stating that you understand the applicant instructions and then click Continue.

Agree to the Applicant Instructions

The screenshot shows a web application interface. On the left is a dark blue sidebar with the following menu items: "Start New Application", "Application Status", and "Fax to File". The main content area is titled "Applicant Instruction Page" and shows the "Current Process: Ann and Abe Effron Donor Advised Grants". A green banner at the top of the main area contains the text: "Please be aware that web applications do time out. Use the 'Save as Draft' button early and often. Thank you." Below this banner is a checkbox labeled "I have read and understand the applicant instructions". To the left of the checkbox is a "Continue" button. A callout bubble points to the "Continue" button with the text "Continue to the first form". Another callout bubble points to the checkbox with the text "Agree to applicant instructions before clicking continue".

Filling out the First Form

After agreeing to the applicant instructions you will be sent to the first form in the grant program. Enter all the applicable information then Save as Draft or Submit the form to the foundation.

- 1) Start filling out the questions on the form, paying close attention to the instructions and limitations on each question.
 - a. Certain types of questions have limitations set by the foundations. Text questions will have a character limit which only allows you to type or paste a certain amount of text in each question. Another limit will be on the file upload questions. This limit will be in Mega Bytes (MB). The size of file you are uploading must be under the amount of MB's allowed on the question.
- 2) Applicants can save as draft and come back to the form after any given time to complete it. The foundation will not check for completeness until the form is submitted.
 - a. After the application is submitted there will be a confirmation page stating that the form has been submitted. You can always refer to your Application Status Page to see what stage the application is in, if in doubt.
